**Introducing the IET[®]
Healing Circle**

The IET Healing Circle is in essence a group of like-hearted people who join together under the guidance of an IET Master-Instructor facilitator to give and receive angelic energy work.

It is our heart's desire that those IET Master-Instructors whose soul's purpose resonates with our new IET Healing Circle will offer IET Healing Circles to their community.

Since we have just introduced the concept of the IET Healing

with Less Lecture and More Energy Techniques.

Circle to the IET Master-Instructor community, it may take some time for Master-Instructors to begin to offer them.

If you are interested in participating in an IET Healing Circle then please ask your IET Master-Instructor if they are planning to offer one.

Angels exist in the eternal now. So can you if you change your focus and experience life through your open and loving heart, rather than through your mind.
